

**SCART-1** (SCART To/From SCART)  
VIDEO CABLE: SCART

- ① **SOLID 2.5% SILVER VIDEO** conductors from France significantly outperform more common premium 1.25% silver-plate.
- ② **SILVER-PLATED VIDEO SHIELD** reduces distortion and provides 100% protection.
- ③ **NITROGEN-INJECTED HARD-CELL FOAM** minimizes loss and maintains crucial stable 75Ω impedance.
- ④ **SOLID CONDUCTORS** provide superior performance for all signals by eliminating strand-interaction distortion.
- ⑤ **LONG-GRAIN COPPER AUDIO** conductors provide beautiful, natural, easy-to-understand sound.
- ⑥ **IDENTICAL +/- AUDIO** conductors maintain signal integrity.

**SCART-1** (SCART To RGB + SYNC)  
VIDEO CABLE: SCART

- ① **SOLID 2.5% SILVER** Conductors from France significantly outperform more common premium 1.25% silver-plate.
- ② **SILVER-PLATED SHIELD** Reduces distortion and provides 100% protection.
- ③ **NITROGEN-INJECTED HARD-CELL FOAM** Minimizes loss and maintains crucial stable 75Ω impedance.
- ④ **SOLID CONDUCTORS** provide superior performance by eliminating strand-interaction distortion.
- ⑤ **AQ SILVER-SOLDER AND GOLD CONTACTS** ensure highest performance.
